// INTERMEDIATE

March 9-11, 2020
Houston, TX, USA

The essential elements of international
treasury management

// FOR MAJOR DISCOUNTS REGISTER
AND PAY BY **JANUARY 17, 2020**

The Economist Group

OVERVIEW

This course is designed to provide experienced finance professionals with up-to-the-minute knowledge of corporate cash and treasury management and strategies, including current trends impacting the role of the treasurer, FX and interest rate exposures, payment fraud, cash conversion cycle and cash flow generation and more.

Participants should have a good prior understanding of treasury concepts and at least 3 years' experience in corporate treasury

LEARNING OBJECTIVES

By the end of the course, you will be able to:

- // Understand how to achieve treasury excellence & deliver successful transformation
 - // Develop strategies to cope with regulations including US tax reform, PSD2, GDPR, KYC, AML, Basel III, BEPS
 - // Define objectives and processes for liquidity management
 - // Get up to speed with the current trends impacting the role of the treasurer and come up with holistic approaches to manage corporate risk
 - // Establish cash conversion cycle and cash flow generation strategies for effective working capital management
-

KEY BENEFITS

- // A complete insight into international treasury
 - // Leading industry tutors
 - // Real-life case studies
 - // Excellent networking opportunities
-

WHY TRAIN WITH EUROFINANCE?

Real world treasury training // Leave with skills and techniques that you can immediately apply when you get back to the office.

Unrivalled knowledge of current best practice // We talk to treasurers on a daily basis and know what matters most to the profession.

Expert tutors // We have secured the services of the leading tutors in the profession with both banking knowledge and corporate expertise to give you the best all-round training available.

Truly global // We run treasury events all around the world and attract a very international audience.

Practical teaching methods // Our courses aren't just theory, we use real-life case studies and group exercises to illustrate each learning point.

We are the treasury specialists // EuroFinance has been working exclusively with the treasury and cash management profession for over 20 years.

TUTOR

Robert J. Novaria, EuroFinance Tutor & Consultant, US

Bob has more than 30 years of corporate treasury experience in the roles of treasurer, credit director, finance manager and controller at BP America and Amoco Corporation. He has successfully managed post-acquisition integrations, technology upgrades and corporate restructurings. Currently, Bob is a partner with the Treasury Alliance Group, leveraging his corporate experience in client engagements dealing with global treasury, risk and crisis management; cash management and cash flow forecasting; working capital management; shared service operations and general management. He also shares his experiences by tutoring others in courses such as international cash and treasury management, corporate risk management and cash flow forecasting, as well as by chairing, moderating and speaking at treasury conferences worldwide.
